- 45-60 min. session/class
- 1 class per session with 2 BOCES Naturalists

### Sample School Schedule

9:00 - 10:00 AM: Class A  
10:05 - 11:05 AM: Class B  
11:10 - 12:15 PM: Class C  
30 min Lunch break  
12:45 - 1:45 PM: Class D

### Session Outline

15 min: Introduction  
35 min: Activities  
10 min. Discussion & wrap up

**Call for pricing and to  
schedule:**

**516-396-2264**

**See us online:**

[www.nassauboces.org/enviroed](http://www.nassauboces.org/enviroed)

**A series of hands-on activities will illustrate the concepts of:**

- The proper disposal of trash that affect wildlife (balloons, ribbons, plastic bags, beverage rings)
- Everyday items that (surprisingly!) have been made from our recycled trash!
- "Everything has to go somewhere." How can we reduce what goes into landfills?
- The time and conditions needed for decomposition of natural and human-made products

**Program Logistics:**

- A large outdoor grassy area, tennis court or safe parking lot is best.
- If possible have a large indoor space available in case of inclement weather.
- Pre and post-trip materials will be provided.

*Help students develop  
"green-thinking" skills  
for now and for their  
future.*
