The Joseph M. & Lois Barry Scholarships Award

Presented by: **Peter J. Dalton**

Recipient: **Patrick Halcott**
Hicksville High School
Audio Production

Mr. Barry was an active member of the Nassau County Board of Cooperative Educational Services for over 33 years. During that time, he was a constant and consistent advocate for children and for high quality education. Along with his colleagues on the Board and the employees of Nassau BOCES, he helped to shape educational programs and services for Nassau County school districts. Mr. Barry was a tireless supporter of Career and Technical Education. His leadership and perseverance led to the construction and completion of one of New York State's most state-of-the-art High Schools: Barry Tech. Each year, one student is chosen by the faculty and staff of Barry Tech to receive the Joseph M. & Lois Barry Award. This student represents the excellence we strive for in career fields, leadership, community service, character, academics, attendance, and overall performance.
