12:30				
1:00				
1:30				
2:00				
2:30				

ATTENDANCE POLICIES

- After five (5) absences, a letter is sent home to make sure that your parent/guardian is aware of your absences.
- After 10 absences, a second letter is sent home to make sure that your parent/guardian is aware of your excessive absences, and a student meeting will be scheduled with Guidance.
- After 15 absences, a letter is sent home to your parent/guardian, and you will be required to sign an attendance contract. This contract outlines the requirements for you to maintain academic progress and satisfactory attendance.
- If additional absences occur, resulting in 20 absences, and the attendance contract is not followed, you will be required to follow the procedure for a "Student Request for an Attendance Committee Hearing." You may be subject to additional disciplinary action and/or not allowed to return to Nassau BOCES.

Who To Contact for Absences:

VACCINATION MANDATE FOR HEALTH CLUSTER

- All healthcare workers in New York State are required to be vaccinated against COVID-19.
- Students currently enrolled in our one of our Health Science programs [Dental Assisting, EMT, Health Care Skills, Medical Assisting and Nurse Assisting] have a required clinical rotation that will start as early as this fall.
- In addition to a complete physical exam, the health care facilities require all students to be vaccinated against COVID-19. This is required by the New York State Department of Health Section 16 Orders.
- In order to participate in a clinical rotation ALL students must have completed their COVID vaccination(s) *by October 1 for Nursing students and October 17 for all other Healthcare Programs.*
- Nurse Assisting students must have the COVID booster as well.
- Please note that students will not be able to participate in a clinical rotation without a completed physical and a copy of their immunization card. Students who do not attend clinic will not be able to complete the full curriculum of their program, will not be able to take any certification exams, and will not be eligible for a Technical endorsement.
