

# Does your district have a prevention-oriented **child sexual abuse** program?

## K-8 programs must:

- Provide instruction to prevent sexual exploitation and abuse
- Define and address the wide range of behaviors
- Provide age-appropriate practical strategies

## Join us in welcoming [Erin Merryn](#) **Erin's Law**

Erin's Law is named for Erin Merryn, an abuse survivor and activist against child sexual abuse, who has advocated for similar laws nationwide for over a decade. Erin's Law is intended to help children, teachers, and parents in New York State schools identify sexual abuse, and to provide awareness, assistance, referral, or resource information for children and families who are victims of child sexual abuse. Erin's Law calls for the teaching of child sexual abuse and exploitation prevention to students in grades K-8
