Riding Hood. I AM LITTLE RED addresses the four tactics a “wolf” (trafficker/pimp) will typically use to lure a Little Red off their path.

I AM LITTLE RED was created especially for middle school students (ages 11-14) of all genders. When coupled with the teaching guide’s 75-minute lesson plan, I AM LITTLE RED is a primary prevention tool aimed at reducing the risk of commercial sexual exploitation among children. By seeding entire grades within a school system or age groups within a community, a teaching session involving I AM LITTLE RED can be an important part of an inoculation approach to commercial sexual exploitation.
