

Want to provide your elementary students with more support?

Our Elementary School Counselor Service will help your school district to:

- Gain access to a certified school counselor
- Deliver effective social and emotional learning (SEL) lessons virtually
- Meet NYSED requirements for school counselors as detailed in CR 100.2(j)
- Follow up with at-risk students
- Help students reconnect to in-person learning
- Provide executive functioning work groups

Elementary School Counselor Service 2021-2022
