Caitriona O'Neill  
*Assistant Principal*  
(516) 604-4200  
[Coneill1@nasboces.org](mailto:Coneill1@nasboces.org)

**Recommended Materials:**

All tools and materials will be supplied by BOCES, however students are encouraged to bring their own tool belt/bag and tools. Suggested tools will be discussed in class. You will be provided with safety goggles.

**Special Notes:**

You will be working with electricity. Safety is always first and is strictly enforced. Students may not work in the lab without proper uniform requirements.
