

# How Do I Get to the Joseph M. Barry Career & Technical Education Center?

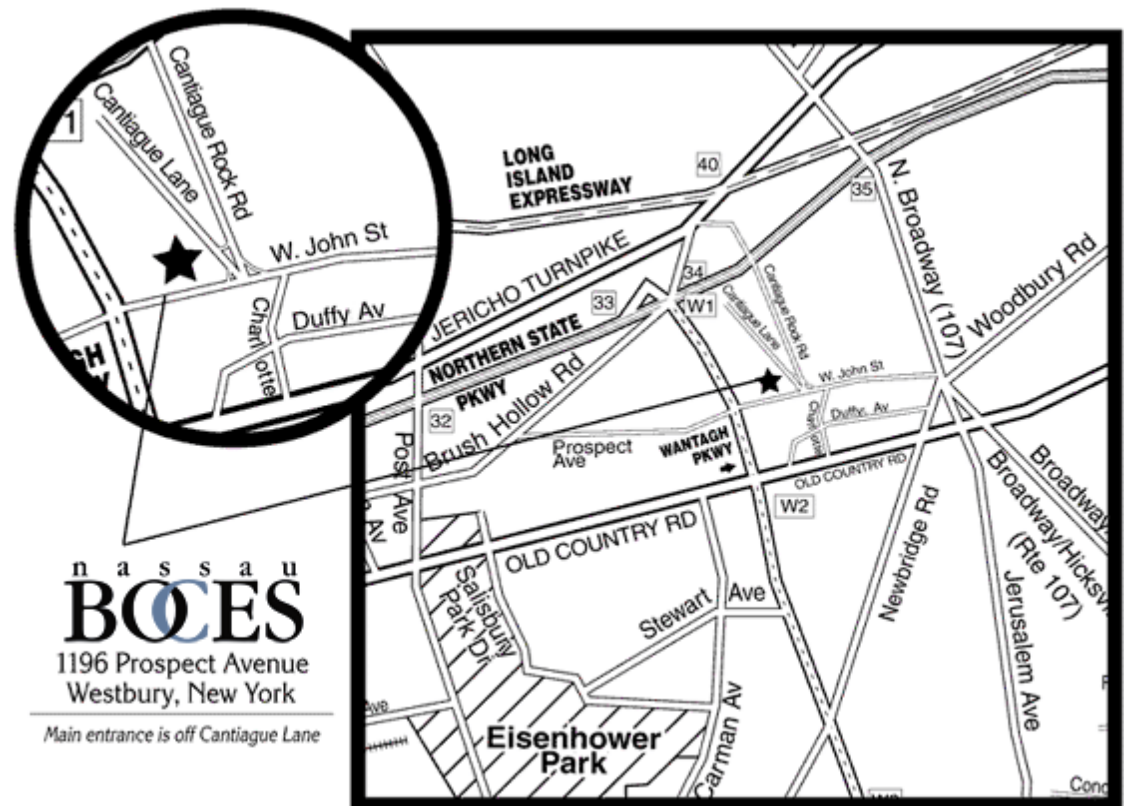

Major roadways and public transportation make Barry Tech easily accessible.

**1 From NYC, Queens, Brooklyn, and the Bronx:**  
Take the LIE to exit 40E. At intersection of Rt. 25 (light), head west and get into left-turn lane. Make a hard left onto Cantiague Rock Rd. to the end where it meets Prospect Ave. (West John Street). Building is on the right. Alternate: Take Northern Parkway east to Brush Hollow Rd., exit 34. Make immediate left onto Cedar Rd. to very end and a right onto Cantiague Lane. Building is on the right.

**2 From eastern Nassau and Suffolk:**  
Take LIE to exit 40W to Rt. 25 Jericho Tpk. West. At light make left onto Cantiague Rock Rd. Go to the end, Prospect Ave. (West John St.). Building is on the right.

**3 From Nassau and points south:**  
Take the Wantagh State Pkwy. to Old Country Rd. E., exit W2E; go two traffic lights and turn left on to Charlotte Avenue. Go to the end and make a left on to West John St. At the first traffic light make a soft right onto Cantiague Lane. Building is on the left.

**4 The Barry Tech Center is easily accessible by bus or Long Island Rail Road (LIRR):**
