Time: 1:00 – 3:30 p.m.
Location: Webinar

Ransomware Attacks on the Rise

Ransomware attacks targeting school districts are on the rise. Sandeep Dhillon and his team from Nassau BOCES will share information on recent ransomware attacks, focusing on how the ransomware penetrates the network, protections to apply, and mitigation strategies to get a district up and running.

Tech Show and Tell- Audio Enhancement Classroom Audio Solution

Presented by Don Murphy and Tim McCarthy, Hauppauge UFSD

A hybrid/remote learning classroom solution that enables teachers and students to hear each other clearly whether in person or at home.
