Counts for 2019–20 ESSA Title III ELL/MLL Allocations

The New York State Education Department (NYSED) is preparing to calculate allocations to Local Education Agencies (LEAs) for 2019–20 ESSA Title III ELLs/MLLs. The allocations are based on the number of ELLs/MLLs in each LEA. It is very important that NYSED has accurate counts of ELLs/MLLs for this determination. To allow LEAs to update and/or verify their counts of ELLs/MLLs, **the following procedures and timeline have been established:**

Date	Procedures
Beginning the week of May 13, 2019 through the week of June 3, 2019	Public ELL counts by district and charter school in Level 2 of the Student Information Repository System (SIRS) from the previous Friday's data refresh and nonpublic school ELL/MLL counts by district in the Basic Educational Data System (BEDS) will be available to authorized users in the "2018–19 Title III ELL/MLL Counts Report" on the Information and Reporting Services Portal (IRSP) at http://portal.nysed.gov . Instructions on accessing the portal can be found at http://www.p12.nysed.gov/irs/irsportal/ . LEAs must review the counts in the report and make changes in their local student management systems to correct public and charter school data. LEAs must also work with nonpublic schools to correct inaccurate nonpublic school data reported using the BEDS Online Report of Nonpublic Schools.
June 10, 2019	Public ELL/MLL counts by district and charter school in Level 2 of the SIRS and nonpublic school ELL/MLL counts by district in BEDS on June 10, 2019 will be used for 2019–20 Title III ELL/MLL allocations.
End of June 2019 to early July 2019	Title III ELL/MLL allocations will be posted at http://www.p12.nysed.gov/accountability/allocations/

Please note that in preparing for the administration of the New York State English as a Second Language Achievement Test (NYSESLAT), LEAs may have already reported appropriate ELL/MLL codes in the SIRS. However, LEAs must review the counts in the reports available from **May 13th to June 7th**, make corrections to inaccurate public and charter school student data in their local student management systems, and ensure that the revised data are loaded into Level 2 of the SIRS by **June 7th**. Local Level 1 data centers will require earlier due dates to allow sufficient time for processing.

Districts should work with nonpublic schools to ensure that inaccurate data are identified. Nonpublic schools with incorrect ELL/MLL counts should **scan** corrected ELL/MLL counts for Item 6A of their **Fall 2018** BEDS Report of Nonpublic Schools form and email them to the NYSED Office of Information and Reporting Services (IRS) at datasupport@nysed.gov with the subject line "Nonpublic BEDS ELL/MLL correction." Corrections require the principal's signature and date. Nonpublic school ELL/MLL counts should reflect students who were enrolled on BEDS day, **October 3, 2018**. Questions concerning nonpublic school ELL/MLL corrections may be directed to the IRS office at datasupport@nysed.gov or (518) 474-7965.

If you have any questions regarding these procedures, please call the Office of Bilingual Education and World Languages at obewl@nysed.gov or (518) 474-8775 or contact the Office of Information and Reporting Services at datasupport@nysed.gov or (518) 474-7965.
