

Students in Foster Care

ATTEND A LIVE BROADCAST EDUCATION SESSION ON HOW TO MEET THE EDUCATION NEEDS OF STUDENTS IN FOSTER CARE

"The foster care provisions of Title I of the ESEA emphasize the importance of collaboration and joint decision-making between child welfare agencies and educational agencies."

- State and Federal Laws
- NYS Foster Care Toolkit
- Best Interest Determination
- Cost Sharing
- Transportation

This education opportunity is designed to provide information to both school and local departments of social services personnel regarding students in foster care, for using on Educational Stability and transportation issues. Will include live presentations from national and state experts, time to meet with your regional counterparts, and opportunity for questions.
