

Social Emotional Learning for Positive School Climate

Each **Social Emotional Learning for Positive School Climate** session will offer strategies schools can use to develop a school climate where every student can learn to their full potential. Attendees will:

- be introduced to Social Emotional Learning (SEL) as a key component of school climate
- learn about SEL implementation resources prepared by the NYS Education Department
- gain a thorough understanding of how SEL implementation can help meet the legislative intent of the Dignity for all Students Act (DASA)

Advance registration is required.
