ATTENDANCE

Attendance is important, and it is the student's responsibility as a school community member to maintain regular attendance. It is related to your preparation towards future college and career readiness. Poor attendance negatively impacts academic performance and future career success. Regular attendance is vital for a successful academic journey. **A minimum attendance rate of 65% is required for a numerical grade calculation.** Patterns of significant absences may adversely impact a student's grade and course progression.

A day absent from Barry Tech is equivalent to **more than three days of a one-period class** you have at your high school. Not only will excessive absenteeism or lateness affect your grade, but it impacts your ability to attend internships, clinic, Work Based Learning experiences, and other services/experiences offered at Barry Tech. Our business partners are looking for responsible students who can be punctual and in attendance every day. Absenteeism will be factored into the work ethic, knowledge, and skill portions of your overall grade.

Absenteeism/lateness will also impact your ability to participate in service learning and community service, competitions, student leadership (Peer Mediation, Student Ambassador, Skills USA), National Technical Honor Society, Student of the Quarter, Outstanding Student and attending graduation.

Attendance is taken daily (whether in person or remote) and you are expected to be on time and attend the entire session. The attendance personnel or our automated system will make telephone calls and/or send texts to your parent/guardian to report absences and lateness. A student needs to bring a note stating the reason for absence within five (5) school days of their return to Barry Tech. Any Home School activity including but not limited to field trips, pep rally, senior pictures, etc., require advanced notification and a note or e-mail from your Home School guidance counselor for your absence to be excused. Attendance reports are sent to all home school districts. Our attendance office, administration and guidance counselors will monitor excessive absences closely. A standard attendance policy and procedure will be followed. Necessary interventions are documented as an attempt to improve a student's attendance at Barry Tech.

1. After five (5) absences, a letter is sent home to ensure your parent/guardian is aware of your absences, and a copy is sent to your district too.
2. After 10 absences, a second letter is sent home to make sure that your parent/guardian is aware of your excessive absences and a student meeting will be scheduled with Guidance.
3. After 15 absences, a letter is sent home to your parent/guardian and you will be required to sign an attendance contract. This contract outlines the requirements for you to maintain academic progress and satisfactory attendance.
4. If additional absences occur resulting in 20 absences and the attendance contract is not followed, you will be required to follow the procedure for a *"Student Request for an Attendance Committee Hearing."* For more information, please see the Student Handbook.

➔ OVER PLEASE
(pages 1 of 4)

EXCUSED ABSENCES

Any note received must clearly state the reason and the dates of the absence. Within five (5) days of the Students returning to school must have a note for the absence to be recognized and coded as a "valid" absence. The following reasons for absences from school are recognized as valid:

- Personal illness or death in the family
- Religious Obligation/Observance
- School District Emergency Closing
- Appointment at a medical clinic
- Approved school-sponsored trips/activities with a note from the Home School Guidance Department
- Required court appearances
- Verified District Transportation issues
- Approved PPS home school meeting/testing with a note from the Home School Guidance Department.
- Approved college visitation and job interviews will be considered legal absences if parental permission accompanies the request.
- Quarantine

Phone calls will not excuse your child's absence. Please contact us if your child will be out for three (3) or more days.

A note needs to be emailed to the attendance office at **BTAttendance@nasboces.org** within five (5) school days of a student's return to school (whether in school or remote instruction) for the absence to be considered an excused absence.

After five (5) school days, it will be marked as an unexcused absence. Absences from class will impact a student's Work Ethic grade, Knowledge, and Skill grade.

Barry Tech Guidance Office phone number: (516) 622-6812 or 622-6814

Barry Tech Attendance Office phone number: (516) 622-6905 or email **BTAttendance@nasboces.org**

LATENESS

If you arrive at school after the scheduled starting time for your classes, you will be marked late for that day. You must get a pass upon entering the building and present the pass to your teacher to enter class if you are late.

1. Only the following will be considered EXCUSED LATENESS:
 - A school bus arriving after the late bell or no bus pick-up (which will be verified by a parent/guardian note or district notification).
 - A lateness due to home school activity (an official letter from your home school must be presented to the Attendance Office).
 - A family emergency (a letter of explanation from the parent/guardian is required).
 - Legal excuse such as court, medical or religious obligation with written notification.
2. **All others will be considered an UNEXCUSED LATENESS which will affect the student's Work Ethic grade.**

(page 2 of 4)

Consequences of Excessive Lateness

Intervention will be made by the classroom teacher by a call home and, if chronic, the guidance department will become involved.

Unexcused Lateness will affect a student's Work Ethic grade and lead to possible disciplinary action.

PULL-OUT / Phys Ed CLASSES

For some students to meet graduation requirements and attend a CTE program at Barry Tech, they must be scheduled for a pull-out class (Phys Ed). Students who are scheduled for pull-out classes must attend these classes on time and regularly. Students involved in a clinic, WBL (Work Based Learning) or Co-op experience can attend only on days not scheduled for pull-out. **All field trips MUST have the approval of both the pull-out teachers and CTE teachers as well as the pull-out guidance counselor for students to attend.** Only those students in good standing will be allowed the opportunity to go on field trips. Your school district may grant academic credit through integration within the CTE class. It is important that all assignments provided by the CTE and/or pull-out teacher be completed successfully and on time. Students who do not complete their assignment may be in jeopardy of losing credits needed for high school graduation. It is possible for a student to pass the CTE course but fail the pull-out classes.

STUDENT REQUEST FOR AN ATTENDANCE COMMITTEE HEARING

Any student absent for over 20 days will be subjected to an attendance committee hearing. A senior with over 20 days absent may not be able to attend graduation and/or receive a Barry Tech Certificate of Completion. Excessive absences can affect the number of credits earned from Barry Tech. If a student can document mitigating circumstances for failure to meet the required attendance policy, there is an application for a hearing that must be filled out with all attendance documentation attached. The Attendance Committee will review your individual circumstances and determine eligibility. A hearing will be scheduled, and you will be notified of the committee's decision in writing within five (5) school days.

➔ OVER PLEASE
(page 3 of 4)

PROCEDURE

The following must be submitted to the Guidance Department and will be presented to the Attendance Appeal Committee.

Student's appeal includes:

1. A typed, detailed written essay with the following information:
 - Past extenuating circumstances that prevented you from meeting satisfactory attendance during the school year.
 - What changes have occurred regarding these circumstances that would allow you to be successful in regaining satisfactory attendance status.
2. A signed copy of the student's "Attendance Contract."

EXAMPLES OF DOCUMENTATION TO BE ATTACHED:

- Diagnosed medical condition
- Legal issue or obligation
- Doctor notes or hospitalization papers
- Emotional issue and/or treatment
- Bereavement
- Proof of approved school activity
- Transportation issue
- International obligation

Barry Tech Grading Policy

September 7, 2023

Dear Parents/Guardians,

We hope this letter finds you well and serves to provide you with a comprehensive understanding of our department's grading system, ensuring transparency and clarity in assessing your child's academic progress. At Nassau BOCES, we believe in fostering holistic growth and development in our students. To that end, our grading system is designed to assess various aspects of your child's learning journey, including skills, knowledge, work habits, ethics, and career readiness.

Grading Percentage Breakdown: Our grading system is based on the following components:

- Skills (Performance)
- Knowledge (Written)
- Work Habits
- Career and Financial Management (CFM)

Weekly Grade Entries: Our dedicated teaching staff is committed to the ongoing assessment of students' progress. Therefore, teachers are required to input at least one grade each week, ensuring a continuous evaluation of your child's academic performance.

Final Grade Calculation: The final grade is calculated using the following formula:

- 80%: An average of four quarters for annualized courses or two quarters for semester-based classes
- 20%: Benchmark Assessments, comprising:
 - 10%: Midterm exam or performance
 - 10%: Industry assessment (or final exam if an industry assessment is unavailable to the student)

Industry Assessments: The Industry Assessment contributes significantly to the final grade, with a breakdown of:

- 60%: Performance grade
- 40%: Written grade

Department Final Exams: For courses that do not utilize an Industry Assessment as a benchmark, RSIP teachers will develop common departmental Final Exams.

Incorporation of Career and Financial Management (CFM): We are committed to preparing students for their future careers and financial responsibilities. Therefore, Career and Financial Management (CFM) concepts will be seamlessly embedded into their studies, reflecting the interconnectedness of these skills.

Late Work Policy: Late submissions are accommodated within specific timeframes:

- Up to 5 school days before the posted end date of a marking period
- Within 5 days of a student's return for excused absences
- Within 2 days of a student's return for unexcused absences (reduced credit)

Attendance Requirement: Regular attendance is vital for a successful academic journey. A minimum attendance rate of 65% is required for a numerical grade calculation. Patterns of significant absences may adversely impact a student's grade and course progression.

Grade Reporting: Student grades will be exclusively available on the SchoolTool portal. We are continually working to enhance this platform to provide a user-friendly and visually appealing experience for parents and guardians.

We trust that this letter provides valuable insight into our grading system and reaffirms our commitment to your child's educational growth. Should you have any further inquiries, please do not hesitate to contact us.

Thank you for your ongoing support.

Sincerely,

Principal

4526-E.1 AGREEMENT FOR STUDENT USE OF BOCES COMPUTERIZED INFORMATION RESOURCES

In consideration of the ability to use the Nassau BOCES' Computer System (NBCS), I agree that I have been provided with a copy of the Nassau BOCES' policy on student use of computerized information resources and the regulations established in connection with that policy. I agree to adhere to the policy and the regulations and to any changes or additions later adopted by the Nassau BOCES Board. I also agree to adhere to related policies published in the Student Handbook. I understand that failure to comply with these policies and regulations may result in the loss of my access to the NBCS. Prior to suspension or revocation of access to the NBCS, I will be afforded applicable due process rights. Such violation of Nassau BOCES policy and regulations may also result in the imposition of discipline under the Nassau BOCES' school conduct and discipline policy and the Student Discipline Code of Conduct. I further understand that the Nassau BOCES reserves the right to pursue legal action against me if I willfully, maliciously, or unlawfully damage or destroy property of the Nassau BOCES. Further, the Nassau BOCES may bring suit in civil court pursuant to General Obligations Law Section 3-112 against my parents/guardians if I willfully, maliciously, or unlawfully damage or destroy Nassau BOCES property.

4526-E.1 AGREEMENT FOR STUDENT USE OF BOCES COMPUTERIZED INFORMATION RESOURCES

En consideración a la capacidad de utilizar el Sistema Informático de Nassau BOCES (NBCS), acepto que se me ha proporcionado una copia de la política de Nassau BOCES sobre el uso de recursos de información computarizados por parte de los estudiantes y las regulaciones establecidas en relación con esa política. Acepto adherirme a la política y las regulaciones y a cualquier cambio o adición adoptado posteriormente por la Junta de NASSAU BOCES. También acepto adherirme a las políticas relacionadas publicadas en el Manual del Estudiante. Entiendo que el incumplimiento de estas políticas y regulaciones puede resultar en la pérdida de mi acceso al NBCS. Antes de la suspensión o revocación del acceso al NBCS, se me otorgarán los derechos de debido proceso aplicables. Dicha violación de la política y las regulaciones de Nassau BOCES también puede resultar en la imposición de disciplina bajo la política de conducta y disciplina escolar de Nassau BOCES y el Código de Conducta de Disciplina Estudiantil. Además, entiendo que el BOCES de Nassau se reserva el derecho de emprender acciones legales contra mí si daño o destruyo intencional, maliciosa o ilegalmente la propiedad del BOCES de Nassau. Además, el BOCES de Nassau puede presentar una demanda en un tribunal civil de conformidad con la Sección 3-112 de la Ley de Obligaciones Generales contra mis padres / tutores si daño o destruyo la propiedad de Nassau BOCES de manera intencional, maliciosa o ilegal.

Welcome to our **Back to School Orientation**

Our Back to School Night will be held on September 28th, 2023 from 6:00 PM to 8:00 PM.

During this evening, parents will meet with their child's teacher and learn about what will be covered during the school year. It is important that you arrive for the start of the session. The instructor will have a presentation to share, and full time is necessary to understand the class's expectations.

Please use the link below to register for this event or the QR Code attached. Only sign up for the class that your student will be attending. Registration will close on September 26th, 2023.

Dear Parents/Guardians:

Mr. Daniel Cava
Assistant Principal

The safety and welfare of Nassau BOCES students is our priority. To help ensure the safety of our students and staff in emergency situations, Nassau BOCES has established Emergency Response Plans for each of our schools, including Barry Tech. Therefore, I wanted to let you know that Nassau BOCES Barry Tech will be testing our emergency plans by conducting the first lock-down drill of the school year on September 15th, 2023 and a minimum of three additional drills will be conducted throughout the school year without notification. We conduct lock-down drills because being prepared for emergencies is a process that requires practice. Additionally, the regulations of the Commissioner of Education Section 155.17 require that lock-down drills be conducted four times per year.

Ms. Anastasia Kokonis
Assistant Principal

Emergency Response Drills, such as the one we will be conducting at the middle of October, are part of our ongoing efforts to ensure that our students and staff will be safe and prepared to respond to any type of emergency.

If you have any questions, please do not hesitate to call the school.

Sincerely,

Dr. William Poll

New Student Parking/Drop-Off/Pick-Up Policy for the 2023/24 School Year at Nassau BOCES Barry Tech

Beginning September 7, 2023, students may only arrive/depart Nassau BOCES Barry Tech by District School Bus or at the designated campus location for student drop-off/pickup by a parent or guardian. Students are not permitted to park in and around the neighborhood.

Driving to Barry Tech is a privilege.

- **High School Seniors** only may apply for on-campus parking permits provided they:
 - currently possess a valid New York State Class D Driver's License; and
 - require access to their vehicles for after-school employment related to their course of study at Nassau BOCES.
- No students are permitted to drive to the campus until parking permits have been issued.
- Parking permit requests must be submitted by Friday, September 22, 2023, for the first semester and by Friday, January 12, 2024, for the second semester.
- There will be a limited number of parking spaces available on campus for those students who meet the criteria.
 - Parking Permits will be assigned through a lottery system each semester.
 - Semester 1: October 2, 2023 – January 26, 2024
 - Semester 2: January 29, 2024 – June 5, 2024
 - On-campus parking for the first semester will begin on Monday, October 2, 2023. On-campus parking for the second semester will begin on Monday, January 29, 2024.
- See reverse side for additional requirements and expectations regarding Student Parking.

There will be NO EXCEPTIONS to this policy.

Students who do not adhere to this New Parking/Drop-Off/Pickup Policy will be subject to progressive disciplinary action including suspension and/or removal from Barry Tech.

➔ Turn Over ➔

Student Vehicles and Student Parking

High School Seniors with a valid New York State Class D Driver's License who require access to their vehicles for after-school employment related to their course of study at Nassau BOCES may apply to drive to school and park on campus.

Eligible students must complete a Barry Tech Parking Permit Request form each semester and submit it to the Assistant Principal's Office no later than Friday, September 22, 2023, for the first semester or Friday, January 12, 2024, for the second semester. Please note: All students **MUST** re-apply for the second semester parking permit.

- Applications for on-campus parking permits require authorization from a parent/guardian and a home school administrator.
- Students selected through the lottery process and their parents/guardians must attend the First Parking Permit Parent/Guardian Meeting on September 28, 2023, at 5:30pm. At that time, the Parent/Guardian-Teen Driving Contract will be distributed and will need to be signed and submitted.
 - Attendance at the Parking Permit Parent/Guardian Meeting and the signed Parent/Guardian-Teen Driving Contract are mandatory to be eligible for a parking permit.
- A letter from your employer indicating the days and time of employment is required.
- Students will be required to attend quarterly Campus Student Parking meetings.
- A parking permit is for the driver of the car only and not for passengers.
- Students are required to maintain good attendance and a passing grade at Barry Tech.
- On-campus parking for the first semester will begin on Monday, October 2, 2023, and end on Friday, January 26, 2024. On-campus parking for the second semester will begin on Monday, January 29, 2024, and end on Wednesday, June 5, 2024
