

Good morning parents and guardians,

We are half-way through the first marking period, and we wanted to let you know we recently posted Progress Reports on our SchoolTool Parent Portal. Progress Reports are a helpful tool in understanding how your child is doing, and we ask that you please take the time to log on and review your child's performance. The Progress Reports also provide a snapshot on Attendance - Absence and Tardy from School.

Please be advised that this year **all Progress Reports and Report Cards will be available on the SchoolTool Parent Portal**. To streamline this process, we will no longer be mailing this information. Districts and parents will now have access to Progress Reports and Report Cards on the SchoolTool Portal following the dates on the calendar shown below.

**Progress Report and Marking Period Timelines for Barry Tech
for the 2021-2022 School Year**
