MicroComputer Support
LISTSERV POLICY

1. The listserv is a service of the Nassau BOCES MicroComputer Support (MCS) program. Participation is available to current MCS members and approved employees of Nassau BOCES.

2. Non-member district representatives may be granted 30-day trial subscriptions for evaluation purposes. The trial period may be extended for an additional 30 days upon request.

3. MCS representatives may request additional subscriptions for other district personnel.

4. The listserv is unmoderated. Members may make submissions without administrator approval. Members are expected to observe basic rules of courtesy and professionalism as outlined in the LISTSERV E-TIQUETTE Document. Anyone who posts messages considered inappropriate may be removed from the listserv.

5. The listserv administrator will publicly acknowledge new members.
