Nassau BOCES Outdoor and Environmental Education Program and Naturalist Evaluation

Name of Naturalist(s) who facilitated your group ____________________________________________
(If you observed more than one Naturalist, you may use numbers in place of a check if they performed differently in some categories.)

School District ___________________________________ School ______________________________
Teacher Name ___________________________________ Grade ___ Date of Trip_________________
Field Trip Site __________________________________ Program(s) Selected________________________

Please rate the overall quality of today’s program.   Excellent ___   Good___   Adequate ___  Poor ___

The Naturalist was motivated, prepared, age appropriate and able to engage the students.

  Strongly Agree_____      Agree_____       Disagree_____      Strongly Disagree_____

Provide comments and/or suggestions regarding the Naturalist(s) overall interaction with students:
________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

The program met my expectations and district goals.

  Strongly Agree_____      Agree_____       Disagree_____      Strongly Disagree_____

What areas of the program best met your goals?  _____________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

Please comment on your overall experience; from scheduling with our office to your program. Is there anything you would or we could do differently in future programs?
