**PROCEDURE**

- Nassau BOCES provides an individual bar code label for each student examination. The label is to be placed on the student’s answer booklet. Detailed directions for the entire process will be included with your pre-printed student answer sheets.
- The district will administer the exam on the scheduled date.
- Completed answer sheets and booklets are packed by the district and delivered to vendor at the OSCWorld facility (170 Earle Ave., Lynbrook 11563).
- OSCWorld will scan answer sheets and merge the constructed response data with the multiple-choice data and return it to Nassau BOCES. BOCES will then load the data and make it available to the district.
- OSCWorld scores the constructed responses using trained NYS Certified teachers.

Full –Service Online Scoring is an **optional** service provided by Nassau BOCES in partnership with the scoring vendor OSCWorld.
