December 14, 2020

To whom it may concern,

Please see the attached letter Nassau BOCES received from American Water and accompanying document from the New York State Health Department for an update on water-quality standards and treatment that impact six of our educational programs:

- **Carman Road School**, One Carmans Road, Massapequa Park
- **CCA**, 2850 North Jerusalem Road, Wantagh
- **Children's Readiness Center**, 2351 Jerusalem Avenue, North Bellmore
- **Jerusalem Avenue School**, 2351 Jerusalem Avenue, North Bellmore
- **Rosemary Kennedy School**, 2850 North Jerusalem Road, Wantagh
- **Seaman Neck Middle School**, 1100 Crestline Place, Seaford

Please reach out to New York American Water at 1-877-426-6999 or the Nassau County Department of Health at 516-227-9723 with any questions about this issue.

The health and safety of our staff and students is our highest priority. We will continue to work with American Water and the Health Department to ensure that the water meets all federal, state and local regulations and guidelines.

Sincerely,

Dr. Robert R. Dillon
District Superintendent
