

Complete the following steps to set-up data sharing from Renaissance to IDW.

- Log into your Renaissance home page and select 'manage apps & users' from the dropdown under your name

The screenshot shows the Renaissance home page. At the top, there is a blue navigation bar with the word "RENAISSANCE" on the left and icons for Home, Help, Live Chat, and a user profile for Allyson Godbout. Below the navigation bar, the page is divided into three main sections: "ASSESS STUDENTS", "PLAN INSTRUCTION", and "VIEW REPORTS". Each section has a corresponding icon and a brief description. On the right side, a dropdown menu is open under the user profile, listing options: "Edit Profile", "Manage Apps & Users" (highlighted with a pink circle), "Locked Students", "Edit Preferences", "Customer Center", and "Log Out".

- Select 'product administration'

The screenshot shows the "Management Tasks" page in Renaissance. The page title is "Management Tasks" with a subtitle "School Year: 2021-2022 School Year". Below the title, there are several menu items: "Users", "Classes & Courses", "District & Schools", "School Calendar", and "Product Administration" (highlighted with a pink circle). To the right of the "Management Tasks" section, there is a "New School Year Wizards" section with three buttons: "Set Up School Year / Copy Options", "Upload Your Roster", and "Manually Set Up Classes & Courses".

- Select 'Growth Alliance Partners'

The screenshot shows the Renaissance Product Administration interface. At the top, there is a blue header with the word "RENAISSANCE" and navigation icons for Home, Help, Live Chat, and a user profile for Allyson Godbout. Below the header is a grey bar labeled "Product Administration". A blue link "< Back" is visible. The main content area is a table with four rows. The second row, "Growth Alliance Partners", is highlighted with a pink oval. The table content is as follows:

Product Setup	
Display ID	Choose how you want to display student IDs in the Renaissance software.
Growth Alliance Partners	Set partner content and data sharing available to schools in Renaissance Planner.
Learning Standards	Select the Learning Standards that define the skill progression used for assignment planning.
Subscriptions & Capacity	View product capacity available and used per school.

- Select 'Data Sharing Dashboard'

The screenshot shows the Renaissance Product Administration interface. At the top, there is a blue header with the word "RENAISSANCE" and navigation icons for Home, Help, and Live Chat. Below the header is a grey bar labeled "Product Administration". A blue link "< Back" is visible. The main content area has a heading "Growth Alliance Partner Data Sharing" and a line of text: "Go to the Data Sharing Dashboard to enable data sharing with additional vendors." The text "Data Sharing Dashboard" is highlighted with a pink oval, and a pink arrow points upwards from below the oval.

- You will be prompted to complete the security notice

IMPORTANT SECURITY NOTICE!

Enabling the data sharing features below will result in the transfer of personally identifiable information to the recipients you select. This information may be considered educational records and be subject to education and privacy laws in the jurisdiction(s) in which you operate. Before enabling these features you must have authority to do so from your organization, ensure that such data sharing is in compliance with all applicable laws, regulations, and your organization's policies. Renaissance Learning disclaims any responsibility for any information disclosure you authorize when enabling the data sharing features. Additionally, although Renaissance Learning takes commercially reasonable steps to ensure that exported data is accurate, Renaissance Learning does not warrant that exported data is complete or accurate and assumes no responsibility for how exported data is used outside of Renaissance Learning software. You are responsible for verifying that exported data is accurate and appropriate for your use.
