JUNE
COMPETENCY:
Responsible
Decision Making

- Subskill this month: MAKING CHOICES
- The SEL Quaver curriculum provides songs, images and games for students to learn how to make good choices! Students will learn right and wrong and how to be responsible when making a choice. The below images share some of the interactive activities' classes are exploring!
- Times when we can provide a chance for a student to make a choice:
 - A student can choose the order of completing tasks
 - A student can choose which toy, sensory activity or song
 - A student can choose the food they want
 - Many of our students are provided visuals to make choices! Using visuals at home to choose a toy, food, any item can support our students in making their own choice!

Students will participate in SEL BINGO this month!!
