

September 2020

Dear Parents/Guardians:

Given our new health/safety regulations we are unfortunately not able to take community trips at this time. We would like to get the students outside as much as possible by utilizing the playground, gazebo area, courtyard area and the ball field adjacent to the school. In addition to this, we would also like the classes to take short neighborhood walks to get fresh air and to create movement breaks during the day.

In order for your child to participate in neighborhood walks we must have your consent to do so. Please fill out the bottom portion of this form and send it back to the classroom teacher as early as possible.

Please contact the school with any questions or concerns.

Sincerely,

Jeannine Stutz  
Principal

Lisa Maniscalco  
Assistant Principal
